

Welcome to ***Artistic Expressions*** Holiday Creative Arts Camps!

Artistic Expressions' Holiday Creative Arts Camp programmes will give children and youths a chance to discover the exciting world of theatre with experienced trainers and professional actors, directors and choreographers. It will be a holiday filled with discoveries that can last a lifetime.

All camps help to develop self-confidence, spontaneity, empathy, the ability to articulate and work collaboratively with others. Everyone on staff will make it a priority to create an environment that is supportive, encouraging, safe and fun.

Each day begins with a physical and vocal warm up to get campers ready for a day of drama fun. The emphasis is on learning creative skills, making new friends and exploring ways that theatre can bring ideas to life. Every camp session ends with a presentation for family and friends.

We have camps and workshops offering a wide variety of choices. Whether you are a beginner or an advanced student, 6 or 16 years old, Artistic Expressions will have the perfect creative arts holiday programme for you!
